

## *Labeling Your Work for the SMAC Competition*

Identify work in your presentation with clear labels, 12-14 pt type.

Give the judges pertinent information about each piece.

If you are showing an assignment or piece based on another artist's work, give credit where credit is due, and indicate that it was created "in the manner of" that artist by name.

<p>Your Name TITLE OF THE ARTWORK Information if class project Medium Year created / School / Instructor</p>
